

OUR SERVICES

...the best in care

- 30 years of consistent, dedicated services
- Licensed, bonded and insured service
- Professional, trained and qualified CNA's, PCA's and PCT's for your health care needs (skilled or basic care)
- Regular visits to your home by a Caregiver Supervisor
- One-on-one private duty in-home, at a hospital or facility
- Light housekeeping
- Medical Case Management by a Geriatric Care manager
- Services as needed: around the clock, or for a few hours a day

Additionally, Saints Healthcare Services ensures that

- All Patient instructions are supervised by a LPN (Licensed Nurse) or RN (Registered Nurse) when needed.
- Medication reminders are offered
- All employees wear I.D. badges, assuring safety and peace of mind for all who depend on our services
- Provide assistance to appointments: medical appointments, social events, luncheons, church, beauty salon or barber shop appointments and any other important matter.

Providing Quality Caregivers for
your Health Care Needs

Providing Quality Caregivers for your health care needs.

OUR MISSION

At Saints Healthcare Services, we provide an important, needed service to our clients, their families and our community. We have a positive, service-oriented view of our agency. It is because of this deep dedication to these views that our company is where it is today – growing because of our care and dedication to others. We pride ourselves on being providers of caring, reliable, competent, quality private care.

“Compassion and commitment. Providing the best care.”

“Making a difficult situation much easier.”

LIVING UP TO ST. LAWRENCE'S VISION
...the most vigorous hiring standards

Our CNA's (Certified Nursing Assistants), PCA's(Personal Care Aides) and PCT's (Patient Care Technicians) must meet very stringent hiring standards prior to joining our team, in order to ensure patients receive the highest quality of care possible – just as St. Lawrence would have wanted it.

Services team members must:

- Be certified
- Pass annual criminal background checks
- Take an annual physical assessment and Tuberculosis test
- Be professional and personal
- Have impeccable references
- Attend In-Service Programs, as assigned, to learn procedures and develop skills as well as meet state requirements

“Much needed support that we could not find from other services.”

A DEDICATED TEAM

...available around the clock

When you or your loved one needs care, there's no place like home. Saints Healthcare Services will be there to meet and exceed your healthcare needs. Our Certified Nursing Assistants offer reliable, compassionate care and services for however long it's needed. Whether that's for just a few hours a day or around the clock, we're there.
